11th June 1981.

My Dear General,

We are so happy to hear your voice last evening. We pray to the Almighty to keep you in good health.

Sir, I have informed the Sub-Area Commander and the ASC about your plans of coming down to Bangalore. The Canteen will be keeping the items wanted by you ready so that Major Jinis could collect them. I have informed Mrs. Chengappa. will ring up the I.G.P and Stn Workshops later.

Sir, I am enclosing a copy of the letter I have addressed to General. Candeth Kicho is still on the Canara Bank Board. My deposition (Cross examination by the Bank lawyer) is going on since last Saturday. It is hoped the deposition will be completed by tomorrow. Today too I have to attend the Court. Then I will leave for Coly on Saturday morning.

I have had the experience of The LORD being with me in a special way during the cross examination Period. It is a happy experience to note the doubts of the Bank lawyers. The Judge is an excellent Person I am sure by The Almighty's Grace and your Continued Blessings, this Judge will value that an Individual is as important, if not more, than an Institution. I was really amused to hear the Senior lawyers comments that the Bank, a nationalised institution, is the Property of the Nation. If they loose the Case I will claim a huge Compensation since he is trying his best to safeguard the Nation's assets!! (An Individual can be sacrificed?

So Sir, The LORD in His mercy has allowed the Case to Come so far and surely HE will not allow such Hypocracy to triumph. In His mercy I have been allowed the help of Chinappa. A Gentleman to the Core. I know he will safeguard our interest against the monied Institutions and against all Connected Ramifications.

I have addressed similar letter, ~~I have~~ one of which I have enclosed, to The Governer Reserve Bank, Secretary Banking Division and Other two members of the Board of Canara Bank (Government Nominees) I Pray and hope at least some of them will think an Individual, specially a retired Soldier, is more important than Institutions and that ~~only~~ Justice should be meted without any ~~but but~~ ulterior Considerations.

I will be writing a detailed letter to Mr. Nanjappa tomorrow morning. May I request you to kindly show him the enclosed Copy of the letter to General Candeth.

Sir, On 5th January 81 Mr. Nanjappa was going back to Madikeri. I had drawn 3 bottles of Brandy for you from ASC Canteen as on 4.1.81 as being a Wednesday the Sub-Area Canteen was closed. Due to some misunderstanding the bill has not been Presented to you, I am told through ASC canteen you ~~have~~ had been in Bangalore since January. The Manager tells me that he was under the Impression that I will Collect the money from you. May I request to you to check if this bill has been Paid by you.

We are all in the Very best of Health. Children Asha & Kamala join me in Conveying our Respectful regards.

With our Continued Prayers for your good health. Yours ever grateful

Eben.
